Council Offer May Hasten Railway Extension

To hasten the extension of the railway line from Altona station to Harrington Square the Altona Council is prepared to bear the cost of installing boom barriers where the railway line will cross Grieve Highway. Cost is estimated at £12,000.

This decision was reached following discussions with the Hon. E. R. Meagher, Minister of Transport, who inspected the location of the extension last week.

The Government will not agree to a level crossing with flashing lights on Grieve Highway. It appears the policy is that no more level crossings be created in Victoria.

Therefore, grade separation has been suggested for the highway, but this would increase cost of constructing the line from £60,000 to £190,000.

It is felt this increased cost would delay work on the project from 15 to 20 years.

However, boom barriers are safer than lights and Mr. Meagher indicated that if a distinct offer for the cost of installing boom barriers is made he would endeavour to convince the Cabinet of the suitability for this crossing.

At the meeting of council last Tuesday night Cr. H. W. Lee said it appears the chances of extending the line are very slim if they agree to grade separation.

He said the council has considered two other possibilities—firstly the closing of Grieve Highway and secondly, an offer to bear the cost of boom barriers.

It was decided the highway must not be closed and Cr. Lee commented that a road overpass was not possible as

it would block the entrances to private properties.

The Railways Department consider the installation of boom barriers is not warranted and will not finance them.

Cr. Lee said councillors feel that if they agree to wait for grade separation the whole project will be dropped and could mean the end of the line!

He said they do not consider Altona Shire should bear this cost, but it was decided they should "go flat out to achieve their aim to have the line extended."

Cr. Lee considered it was fair and a gun was being held at their heads but moved that the council offer the Minister £12,000 for the cost of installing boom barriers.

The motion was seconded by Cr. G. den Dulk who said this appears to be the only way the extension can be achieved within the next two years and the only way to obtain a favourable answer from the next session of Parliament.

FLY WAR ON AGAIN

The war on flies will again be waged this summer by the Municipal Association of Victoria.

And once again Cr. G. den Dulk, of Altona, has been appointed to the committee which will undertake the publicity campaign in the coming months. The other members are councillors from the suburbs of Brighton, Brunswick, Melbourne and Sunshine.

The proposed expenditure is £11,000, towards which Melbourne City will contribute £2000 and other councils the balance, of which Altona's share will be £144. The expenditure is divided on a population basis.

Cr. den Dulk said last year the Government granted £1000 and it is hoped this will be repeated.

Because of the success of the previous campaign Cr. den Dulk said the municipalities which did not co-operate may join in this year's effort.

Altona was well to the fore in the campaign—a slogan competition was conducted among school children and selected slogans were used on all envelopes leaving the Shire Office.

"Altona Star" Christmas Vacation

Final issue of the "Altona Star" for 1965 will be on sale next Tuesday evening, December 21 (two days earlier than usual).

All copy for this issue will be required to be in the office not later than 2 p.m., Monday, December 20. All advertisements will be received up to 5 p.m.

After a break of three weeks, publication of the "Star" will be resumed on January 20. The office will re-open as from Tuesday, January 11.

Crossing Authority Formed

The inaugural meeting of the Lower Yarra Crossing Authority took place last Tuesday.

The Western Industries Association commenced work on this project in 1957 and the Bill authorising the start of the crossing was passed last Thursday and signed by the Governor on Tuesday. This means the Authority is now formally constituted—comprising of B. J. Callinan, H. F. Clarke, Angus Jones, O. G. Meyer, F. C. Michael, L. A. Schumer, H. F. Vian, H. G. Walker and R. Weir. Mr. Meyer was appointed as chairman and Mr. Vian as vice-chairman.

In addition it was agreed by the meeting that Messrs. Maunsell & Partners be appointed engineering consultants in conjunction with Freeman, Fox and Partners, London.

The important matter of financing was discussed and a sub-committee was established to deal with this important avenue of the undertaking.

After discussion the authority formally resolved that the economics of the undertaking were sound.

BALLET DANCER TOPS SCIENCE COURSE

Seventeen-year-old Susan Wood, of Seaholme, has proved that ballet and science studies can be mixed.

It was announced last week that Susan is dux of the 1965 science course at Altona High School. She has just completed studies at matriculation level in pure mathematics, calculus and applied chemistry, physics, English and French.

Susan is a member of the Australian National Ballet and attends ballet school classes at South Yarra two or three nights a week as well as teaching her own local ballet pupils on Saturday mornings.

She will be one of the soloist dancers in a three night ballet season at the National Theatre, South Yarra, starting tonight, Thursday, December 16.

The two ballets being presented are "Pas De Quatre" and the Australian premiere of "Sadko," a three act ballet from a Russian fairy tale by Pushkin. Music is by Rimski Korsakov.

Tickets are available for the three nights and inquiries may be made by telephoning 65-8486.

TAXI SERVICES COMBINE

The previously independently owned Altona Taxi Service has now combined with the West Suburban Taxi Service, based in Footscray.

At the council meeting on Tuesday night, Cr. H. W. Lee expressed his disappointment at the change in ownership.

He said Footscray has now gained a better service and Altona is worse than before.

Taxis now based in Footscray are reluctant to come to Altona. If they do come to the district they should remain until they get a return fare but drivers are unwilling to do this, said Cr. Lee.

He said previously it was easy to get a taxi, either by phoning or calling at the Altona railway station.

Now this has changed and the taxis are not so readily available.

He alleges this has caused hardship to elderly citizens and shift workers.

Cr. Lee considers the Transport Regulations Board should have advised Altona Council of the withdrawal of the local service.

The local service apparently was having difficulty in operating with only three cars, but could not obtain licences for extra taxis. They were forced to combine with the Footscray company.

Cr. Lee contends that with

a population of 23,000 people, Altona is entitled to at least one taxi which would operate solely in this area. He suggested the council should endeavour to achieve this service.

DRAINAGE PROBLEMS?

Cr. J. J. Ginnifer, Board of Works Commissioner, offers some advice to residents regarding any problems that may arise with the Board's drains in the Altona Shire.

At the council meeting last Tuesday night he said if any trouble occurs residents should immediately report the matter to the Board. The Board's telephones are manned 24 hours a day.

After lodging a complaint if no action is taken within the next 24 hours, Cr. Ginnifer asks that he should be notified.

He said do not 'phone complaints re the Board's drains to the Shire Offices, 'phone the Board direct and if no action occurs, 'phone him.

Diesel Trip for Altona Youth Organisations

St. John Ambulance and Altona Youth Club members assemble to join the diesel train for a picnic trip to Mornington last Sunday afternoon.

ALTONA WORKING MEN'S CLUB NEWS

Presentation of Clock to Club

The Management Committee, on behalf of the club, sincerely thank Mrs. Iris Mead for the presentation of an electric clock to the club in memory of the late Ted Mead, a foundation member, who passed away on August 1, 1963.

The clock, with wall plaque inscription, was unveiled by Stan Rowe, also a foundation member, at a brief ceremony during the break-up party and dance of the Indoor Bowls Section on Thursday, December 9.

Eighty members of the section attended the presentation dance, with music provided by Molly Busch and her three piece band. Each and all agreed it was a very good dance and a perfect dance floor.

There can be more of such dances in the future, despite liquor restrictions applying to the club for the time being.

BOWLS ARE STILL GOING

Although the Indoor Bowls Section have had their end of season break-up party, dance and trophies presentation, this does not mean the end of indoor bowling for the year.

Members are welcome to come along Tuesday and Thursdays as usual and play indoor bowls. The club is still open for all indoor activities and will only close on Christmas Day and New Year's Day—but it is hoped only for this year—optimistic members can book their 1966 Christmas dinner at the club NOW.

ANOTHER BILLIARD TABLE

Arrangements have been made for delivery of another billiard table and it is anticipated it will be installed before Christmas.

ASSOCIATES' GRAND CHRISTMAS PARTY

Monday night, December 13, was the Christmas Break-up of the Associate Section and 98 Associates joined in making whoopee. The break-up was the culmination of an interesting, enjoyable and instructive year for all members who attended the various activities and highlight of the evening was undoubtedly the parade of over 20 ladies dressed in "Poor Taste"—much to the amusement of their fellow Associates. Imaginations certainly ran riot with the outfits and prizes were awarded to Ivy Gibson and Vi Walker for two of the most original ideas.

The business agenda was reduced to a minimum and was followed by a few skits and games which proved very popular with the ladies. That talent exists in their midst was plain to see.

Another item which absorbed the attention of all present was the demonstration of Yoga by Kath Johnson, Margaret Macfarlane and Hilda Osborne. The simple and graceful lines of the exercises will no doubt spur others to join up in the Yoga class to commence early in the new year.

Trudy Reissmann (looking very chic) was the winner of the special effort.

The lovely bride doll, whose date and time of wedding were all fixed went to Lorraine Jensen, 32 Dove Avenue, Altona.

Recipients of the Christmas Hampers will be holders of ticket Nos. 121 (Brian Johnston, Footscray), 696 (K. Cotter, Parkdale), 4240 (A. Turner, Maidstone Street, Altona).

A lovely supper prepared by the committee was served at the end of the fun and games and the evening concluded with the singing of "Auld Lang Syne."

Youth Club Annual Elections

At the annual meeting of the Altona Citizens and Police Youth Club retiring president, Mr. A. M. Brown, was returned to office.

Other officials elected or re-elected to office were—

Senior Vice-President: Mr. G. Sherriffs; Treasurer: Mr. Jemmeson; Secretary: Mrs. Barbara Hyde; Assistant Secretary: Mr. Martin; Junior Vice-President and Police Representative: Mr. H. Sparkes; Publicity Officer: Mr. T. McGarry; Committee Members: Messrs. Cullen, Giordane, Ashman, S. Hyde, L. Hyde, A. Ansons, S. Martyr, and Bryant; Mesdames Sherriffs, Deegan, Rose, Sparkes, Herbert, Miss F. Gathercole.

The club will be closed over the holiday period and will re-open the first week in February.

Proposed new activities for 1966 are a girls basketball team, junior boys team, weaving and soft toy classes, drama group, midget girls marching team, etc.

AWARDS TO YOUTH CLUB MEMBERS

Colin Rattray and Faye Gathercole were presented with the Keystone Award badges at the annual Open Night for parents and friends at the Altona Youth Club last Friday night.

These coveted awards are presented annually at each youth club to the boy and girl whose loyalty and good service to the club have been outstanding.

A number of certificates also were presented to young members for attendance, ability and for being good club members.

The different sections of the club put on displays, the most colourful of which were the marching girls in their attractive uniforms.

The basketballers played a short warm-up game. They hope in the new year to arrange a demonstration game on the new court.

Gymnastics were displayed by both boys and girls.

Cr. G. den Dulk drew the winning ticket in the Transistor Raffle, organised by the basketball section. The lucky person was Mr. P. Wheelton, 120 Blyth Street, Altona, who held ticket No. 980.

Elderly Citizens Break-up

The Altona Elderly Citizens Christmas luncheon was a happy function. The 157 members present were most appreciative of the entertainment provided.

Luncheon was followed by a social gathering with musical items and a brief spell of dancing.

Thanks are expressed to Altona Social Club, under Mrs. Sheriffs, for their fine catering.

Last dance of the year will be on December 18, at 8 p.m. The hall will be decorated for Christmas and supper will be provided. Donation is 3/- entrance.

EDITORIAL

YOUTH MEETING

However well it served its primary purpose, there is no doubt that the meeting held last night was in several respects a test case.

The relative interest of youth organisations and their membership in a matter so affecting the youth of Altona has been demonstrated by attendance and participation at this meeting.

The response of the press to the invitation extended to it can also be measured. It will be judged for its attendance and its published reports.

In recent weeks hardly a suburb of Melbourne has been immune from youth disturbances. Most of them on a more or less factual basis have been noted in our newspapers. Altona was unfavoured by rather more than objective reports.

Now we ask the same press to give no more than an objective resume of what Altona is doing to resist such disturbances, what Altona is doing to provide facilities for youth and how Altona is providing a suitable climate for social awareness and cultural growth of our young people.

Unfortunately those misguided lads (whose types we know are found in all communities) were not likely represented at the meeting. This is not the sort of publicity they seek.

There is no royal road to the cure of these disturbances. Each of these groups of offending young people consist of a number of individuals. Individuals each with his separate problems, each in his particular conditions, each of whom can be helped by sympathy, understanding, forbearance and guidance.

The future of Altona's youth is in the hands of Altona people.

AUSTRALIA DAY CELEBRATIONS

Arrangements for public celebrations of Australia Day, January 26 next, and associated public holiday, Monday, January 31, are being carried out in city and country municipalities throughout Victoria.

In response to the appeal for their co-operation, the Australia Day Council (Victoria) already has received a considerable number of letters from municipal councils setting out their plans for the observance of the National Day. From these it is evident that the Australian Flag will be flown over municipal and other public buildings in every city and town in the State, and that naturalisation ceremonies will form an important part of the celebrations, as well as sporting and social events, and other appropriate means of drawing people together to commemorate the birth of Australia as a nation 178 years ago.

Sir Norman Martin, chairman of the Australia Day Council, commenting on the favourable nature of the letters received from the municipal councils, said it was very heartening to himself and his colleagues who were giving their time to the difficult task of organising the national celebration of Australia Day in Victoria in a manner worthy of the great occasion.

Naturally they looked to the local governing authorities to ensure that the National Day, the anniversary of Governor Phillip's formal claim to Australia on behalf of Britain in 1788, should be suitably commemorated. It was gratifying to see the municipalities rising so well to the occasion, as they had done in the past.

"Of course," Shire Norman Martin said, "we appreciate that all municipal councils cannot put the same amount of effort into the campaign for the national celebration of

Australia Day. For instance, a distant and widespread country Shire like Wycheproof, where the Shire Hall is located at the southern end, about 70 miles from the northern boundary, it is difficult, as the Shire Secretary explains in his letter, to organise a ceremony to embrace more than a limited section of the Shire. However, we are assured that it is the custom to encourage the flying of flags on public buildings throughout the Shire. That is something of the right spirit, and the letter from Wycheproof is appreciated by the Australia Day Council."

ENGAGEMENT

Mr. and Mrs. E. Kelly, of Wilga Avenue, Altona, happily announce the engagement of their younger daughter, Joan Annette, to Ronald William, elder son of Mr. and Mrs. N. Harrison, of Greville Street, North Essendon.

Did 50 in a 35 Zone

William Milner, of Kookaburra Street, Altona West, was fined £10 for doing 50 m.p.h. in a 35 m.p.h. zone in Civic Parade, Altona, on September 15, 1965.

DRAMA GROUP FORMED

The Altona drama group has come into being. Last Monday night a group of enthusiasts met for the first time in Altona and formed themselves into a club which will be known as the Altona Drama Group.

A provisional committee was elected to organise the group in its initial stages and the aims of the group were endorsed—to present in Altona high quality drama to foster the appreciation of theatre in the community.

The group intend to commence activities in real earnest early in February. They hope to begin with play-readings and progress to the production of a one-act play in 1966 with the possibility of entering in the Victorian Drama League Festival towards the end of the year.

Membership is open to interested people of all ages—a firm date has been set for the first play-reading to be held at the Altona Youth Centre on Monday, February 7 at 8 p.m. The provisional secretary is Miss Bernadette Twomey and she may be contacted at 65-8181. Miss Twomey will welcome all inquiries.

Lions Presentation

Last Monday night members of Altona Lions Club paid a visit to the Footscray Club to witness the presentation of the Extension Award to Footscray member, Bill Stenbridge.

The award was in recognition of his efforts in forming the Altona Club.

The Altona Club has held its final meeting of the year but next Saturday they will gather for a barbecue break-up at the home of Mr. Les Russell.

United Carol Service

Next Sunday, December 19, a United Carol Service will be held in the Methodist Church grounds, Seves Street, commencing at 8.30 p.m.

If the weather is inclement the service will be held in the Methodist Youth Hall.

It has been organised by the Altona Ministers Fraternal and members of the Fraternal will conduct the service.

Members of all churches are invited to attend.

The service is planned to finish about 9.30 p.m.

NURSING EXAM SUCCESS

Nurse Alwyn Tottle, of Bayview Street, Altona, has passed her final nursing examination.

Alwyn was educated at Seaholme Primary and Williamstown High Schools.

For the past three years she has been doing her nursing training at Williamstown Hospital.

Next March she plans to start a midwifery course at the Sacred Heart Hospital, Moreland.

Presentation of Awards

The presentation of awards for the League of Young Worshipers in the Brooklyn Presbyterian Church will be made at the 11.30 a.m. service next Sunday, December 19.

These awards are made for children who have been regularly attending the church service throughout the year.

Sunday School Break-up

On Sunday, December 19, St. Eanswythe's Sunday School will be meeting all together at 11 a.m. for a final service before the holidays.

Parents are being asked to come with the children. During the service certificates will be presented to the children who have been most regular during the year, and the children will offer birthday presents to Our Lord at an empty Christmas tree.

These presents will be used to help children in other countries who have insufficient food or schooling or medical attention.

Mr. and Mrs. Harvey Price are pictured leaving St. Stephen's Church, Williamstown, after their marriage on November 20.

PRICE-KNIGHT WEDDING

The bride, formerly Gail Lucy Knight, is the younger daughter of Mr. and Mrs. S. T. Knight, of 44 Railway St., Altona.

Her gown of cotton shantung was trimmed on the sleeves and collar with guipure lace and her long train fell from beneath the collar. Her veil was held by a pillbox of guipure lace and she carried a bouquet of gardenias and stephanotis.

The bride's attendants, her sister Glenis and Veronica Muldoon, wore long empire line frocks of strawberry coloured Thai silk with nylon organza sleeves.

Best man was Doug Edwards and groomsman Don Schroeder.

The bride's mother wore an attractive lipstick pink crepe frock, a fur stole, lavender hat and bone accessories.

The groom's mother wore a bone moogashel and lace suit with aqua hat and bone accessories.

More than 100 guests attended the reception at the Civic Hall.

The bride's going away outfit was a cocoa brown crepe

and organza frock with a lime green hat and gloves with bronze accessories.

The couple spent their honeymoon at Canberra and Cooma and are now residing at Foster.

GOLDEN WEDDING

More than 120 relatives and friends gathered at the Altona Life Savers Hall recently to celebrate the Golden Wedding Anniversary of Mr. and Mrs. Gus Richards, of Rowami St., Altona.

The Richards have been residents of Altona for 44 years.

The party was given by the couple's 10 surviving children who were all present with their families. Their one great grandchild and most of their 23 grandchildren were present.

They received nearly 200 cards and telegrams from well-wishers.

Mr. and Mrs. Richards were married by the late Rev. Roach at the Yarraville Church of England on November 27, 1915.

Christmas Services

A special printed Order of Service will be provided for the worship service in the Brooklyn Presbyterian Church on Christmas morning at 9 a.m. Mr. C. L. Squires will conduct the service and preach the sermon.

Visitors and friends are assured of a very warm welcome.

On Sunday, December 26, the morning worship will commence at 11 a.m. Mr. C. L. Squires will conduct the service.

Coming Marriage ASH-BLACK

The marriage of Graeme William, only son of Mr. and Mrs. W. G. Black, of 22 Blyth Street, Altona, to Maree Therese, eldest daughter of Mr. and Mrs. W. S. Ash, of Cheltenham, will be celebrated at Sacred Heart Church, Sandringham, next Saturday, December 18, at 4 p.m.

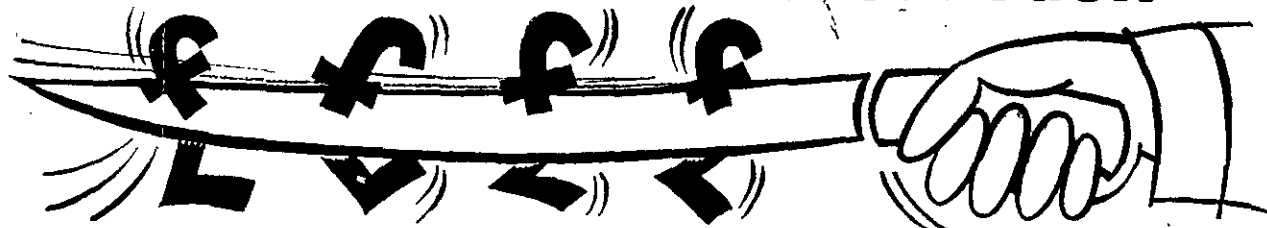

The breakfast and reception will be held at the New Mentone Lodge, Mentone.

ALTONA NORTH TECHNICAL DONATES £200 TO COMMUNITY AID ABROAD

Mr. David Scott, Director of Community Aid Abroad, holds the cheque for £200 presented to him by school representatives Derek Hendry (extreme left) and Peter Krenca (second from left) at the Altona North Technical School Annual Awards afternoon held at the Retroleum Refineries Auditorium last Wednesday.

The presentation was the culmination of the boys social service objective for 1965. Contributions for the year totalled £247. The money presented to Mr. Scott will be used in assisting St. Andrew's College, in Tanzania in Africa.

Others in the photo (from left to right) are Altona Shire Councillor J. J. Ginfier, who presented the Citizenship and Academic Awards, School Principal Mr. W. R. Seamer, President of the School Council, Mr. W. J. Piggot, who presented Leaving and Intermediate Certificates, Frank Sultana, who received the Citizenship Award, and the Dux of the school, Gerhard Horoschun.

Mr. Scott was also guest speaker. He told both parents and boys something of the work of C.A.A. and especially of the benefits that the school donation would bring to St. Andrew's College. He briefly outlined the work of that institution, which he said has produced many Tanzanian leaders. A trained teacher had previously gone from this State to work at the school. However, the production of food was a major problem for the college and so further help had been extended with the provision of a bush breaker to clear land and thus combat the tsetse fly which took such toll on their livestock. The money provided by Altona North would be used specifically to purchase livestock—cattle, pigs and poultry.

Tech. School
Annual Awards
Afternoon

This has been a year of significant progress for technical education in Victoria, and we have participated in that progress, said Mr. W. R. Seamer, principal of Altona North Technical School at the annual awards afternoon last Wednesday.

He said, "Increasingly the community is becoming aware of the high standard of education being reached in secondary and tertiary courses in technical schools and colleges. With the inability of universities to meet demands for tertiary education we can expect in the next few years great advances in the scope and status of senior technical college courses."

"The Leaving Technical course is now recognised by the Victorian Universities and Schools Examinations Board as being a suitable preliminary qualification for those wishing to proceed to matriculation. Leaving technical standard is also recognised now by the Commonwealth Public Service Board as being comparable with the leaving course in high schools. One effect of this is that in future our technical school students will be able to apply for valuable public service cadetships previously denied to them. It should be obvious that if a boy is able to do really well in Form 4 he should seriously consider continuing his education to Form 5 standard to gain the best opportunities for future advancement."

Prizes and awards were presented to students.

Dux of the school for 1965 is Gerhard Horoschun.

ACADEMIC PRIZES

Following is the full list of award winners—

Form 5.—1st, Gerhard Horoschun; 2nd, Zbigniew Jezierski; 3rd, Michael Quinn.

Form 4.—1st, John Dickenson; 2nd, Roland Como; 3rd, Peter Tedesco.

Form 3.—1st, Kevin Wood; 2nd, Alan Anderson; 3rd, Colin Mellett.

Form 2.—1st, Greg Cunningham; 2nd, Charles Tabone; 3rd, Trevor Danger.

Form 1.—1st, Derek Hendry; 2nd, John Fabian; 3rd, Ray Boyd.

Citizenship Award: Frank Sultana, 5A.

Mothers' Club Scholarship Award: Derek Hendry, 1A.

SPECIAL AWARDS

Turning and Fitting (McPherson's): John Cikovic.

Plumbing (McPherson's): Robert Jones.

Woodwork: Michael Travers.

Safety Award: Robert Turner.

Bell Boys: Costa Karakasch and Leslie Porter.

SPORTS AWARDS

INDIVIDUAL TROPHY WINNERS

Cricket: Martin Nowell, Most Serviceable.

Basketball: Peter Wagner, Best All Round.

Football: Gary Dempsey, Best and Fairest.

Soccer: Colin Sinclair, Best Player.

Baseball: Ian Alexander, Best Player.

Lacrosse: Stephen Milan, Best Player.

Squash: Stephen Milan, Best Player (trophy donated by Altona Squash Club).

Next year 650 students are expected to be attending.

The extensions which are being added to the school buildings should be ready for use by February, and these will enable the staff to cope with the anticipated enrolment.

The additions will provide a new art department, enlarged library and other much needed rooms.

There will be quite a few staffing changes in the new year.

A number of teachers who have been at the school for several years have transferred to other schools.

Mostly they are going on promotion or to reduce their travelling time.

After three years at the school Mr. J. H. Young, head master, is leaving to take charge of McLeod Technical School.

The last remaining member of the original staff, Mr. Jenkin, will be going and others are Mr. W. Nevein, head of the English and Social Studies Department, for the past five years, Mr. Glasson (four years head of the Turning and Fitting Department and Sports Master), Mr. Vayis (five years Physical Education Department), Mr. Daniel (four years at the school) and Messrs. McPherson, Whittaker, Allen, Augustine, Shay, Stephens and Miss Robertson.

This has been a record year for parents' contributions to the school. A total of £666 has been received for the Parents' Contributory Fund. Some of this total has been spent on ground improvements and on additional external seating, but the major portion has gone to the main objective—The Assembly Hall.

Speech Night at
Altona High

Staffing for 1966 should permit a reduction in class sizes at Altona High School the head master, Mr. W. J. Storey, reported to students and their parents at the annual speech night at Williamstown Town Hall last Thursday.

Courses for 1966 will be offered similar to those available this year. Thirty-two students studied at matriculation level during 1965 and in 1964 of the 18 who sat for matriculation 12 were successful, which is higher than the State average.

Five Commonwealth secondary scholarships have been awarded to Leo Heskannen, Brenda Kaye, Michael Murphy, Marion Murray and Keith Owers. Forty-three second formers have received junior scholarships.

Mr. Storey said class room accommodation is adequate and the organisation of major grounds development has been completed. The Public Works Department has been requested to proceed with this work.

Subsidence of foundations continues to be a problem by affecting floor levels, the alignment of sliding doors and a few of the exterior cement tiles.

Weekend vandalism has left its mark but the incidence of trouble from this source has shown a marked decline over the past 12 months, said Mr. Storey.

The end of this year also brings staff changes to the school. Mr. Sheeran, senior master, is going on promotion to Kooweerup, and Mr. Addison, sports master, is transferring to Parkdale High.

Mr. Storey is himself going on promotion to Lakeside High and in concluding his report

ker, Allen, Augustine, Shay, Stephens and Miss Robertson.

This has been a record year for parents' contributions to the school. A total of £666 has been received for the Parents' Contributory Fund. Some of this total has been spent on ground improvements and on additional external seating, but the major portion has gone to the main objective—The Assembly Hall.

The Assembly Hall Fund is now £2517.

Chief sources of income have been the parents fund, the cafeteria and donations from business firms totalling £314.

The school council hopes that parents and interested citizens will continue to intensify their efforts so that building may commence in about two years.

said, "I would like to thank all those who have contributed to the working of the school and to appeal to everyone who is able to do so to give the incoming head master, Mr. Sier, and his staff, their wholehearted co-operation."

Two girls received the main awards for the year.

They topped the two courses taken by students at matriculation level.

Susan Wood was dux of the science course and Agnes Klisenko of the Humanities course.

Scholastic awards were presented by Cr. J. J. Ginfier, of Altona Shire Council, to the following students—

SCHOLASTIC AWARDS

FORM AWARDS

Form 6.—Humanities, Agnes Klisenko; Science, Susan Wood.

Form 5.—Humanities, Pauline Bennett; Science, Maurice Roberts.

Form 4A.—William Boyd; 4B.—Raymond Jensen; 4C.—Margaret McKenzie.

Forms 3A.—8 Honours, Lawrence Egan; 3B.—9 Honours, Anne Griffiths; 7 Honours, Victor Pateras; 3C.—7 Honours, Elaine Freeman.

Form 2A.—9 Honours, Brian Garde; 2B.—9 Honours, Linda Joiner; 2C.—9 Honours, Sabine Strohl.

Form 1A.—10 Honours, Peter Byrne; 1B.—7 Honours, Susan Joiner; 1C.—7 Honours, Edward Kaye; 1D.—8 Honours, Glenys Rowe.

Citizenship Award, Joseph Henderson.

Guest speaker at the speech night was Professor E. A. Morey, associate professor in Education at Monash University.

During the evening the audience was treated to renditions by the girls choir, recorder group and the school choir under the direction of Mr. E. Marsaus with school pianist Noel Smith and soloists Christine Stiles, Ruth Hancock, Glenda Lee, Peter Tyrell and Terence Woodcock.

CHRISTMAS MESSAGE

The Hon. A. W. Knight, M.L.C., Melbourne West Province, wishes to convey the following Christmas message to his constituents—

"It is very pleasing to convey a Christmas message once again to the constituents of Melbourne West Province. Much has been said and written about the joyous event of Christmas and the reason why Christian people celebrate such. In Australia it has become the custom to celebrate the approach of this wonderful occasion firstly with Carols by Candlelight. One of the lines from one of the carols has a full meaning and expresses our thoughts during these celebrations. The line is as follows—'To hail Him with joy and vow I believe'.

"The birthplace of Jesus in Bethlehem is a long way from Australia, but to witness the faces and expressions on the people, whether children or adults, when they gather together irrespective of their religious beliefs to sing praise by way of carol singing—no matter whether it is in the grounds of the Footscray Hospital, Williamstown Gardens, or in the Alexandra Gardens—leaves one with a feeling of awareness of how kind and understanding our fellowman can be in times of such needs. There is a feeling of a genuine coming together of people from all social walks of life. If such could only be carried into the councils of our troubled world then I think the problems confronting our fellowmen could be solved. There is still too much bloodshed and hunger in the world.

FREE HOLIDAY PLAY CENTRES

Once again, the National Fitness Council, in conjunction with the Altona Shire Council, is conducting FREE Play Centres for the children of the Shire.

The Play Centres, for children between the age of five to 14 years, will be held from Tuesday, January 4, to Friday, January 21, from 9.45 a.m. to 4 p.m. on all week days. They will be conducted in Altona and Altona North.

The Play Centres will hold swimming, games, art, craft, excursions and fun.

They are staffed by a number of qualified and partly trained teachers, who give up to three weeks of their leave to provide an exciting and varied program for your children. The activities consist of games, art and craft, swimming, reading, competitions, sports and excursions. During the three weeks the children work towards a Field Day and Art Display in competition with other Play Centres located on this side of the city.

The children may also attend a fire brigade demonstration at the Eastern Hill Fire Station, a table tennis day at Albert Park Inter-centre swimming sports and a special visit to the "Tintookies," the famous marionettes at the Princess Theatre.

No enrolment is required

Squash Club Wins Third Pennant

Altona Social Squash Club won their third successive pennant last Thursday night at Albert Park against Shell (Corio) in Division 1.

No. 4 seed for Altona, Bob Moody, set Altona off to a good start, winning 3-0 by steady play, especially in the second game when he was 2-8 down and came back to win it 10-9.

In the next match "Darkie" Morley found his opponent too shrewd and experienced and lost in three straight games.

I hope this can be overcome by the time we come to celebrate Christmas again. Peace on earth should prevail in the thoughts of mankind at all times.

"Let us put into practice our teachings of 'Goodwill to All' firstly by observing all road laws over the Christmas-New Year period. Let us try to have an accident free period whenever we use the roadways of our great country and take care of our beaches.

"To the sick and hospitalized, may they have a speedy recovery to a healthy life. To the aged, may they be spared. To the suffering of those who have been bereaved of their loved ones I wish them well.

"Finally, my good wish and family and myself wish you a Merry Christmas and a Happy New Year."

Although a fit player himself, Terry Budgen, of Altona, was beaten in this department by his opponent, whose strength in the many lengthy exchanges that they had paved the way for a 3-2 win for Shell (Corio).

When Altona's No. 1 seed, Roger Blair, went on to the court for the last match, Altona was two rubbers to one down, and one game down. When his opponent won the first long game 10-9, that meant that Altona had to win the next three games or else the final would have gone on points to Shell.

In a tense second game, after being behind, Roger just won 10-9. The third was identical with the second, also going 10-9 to Altona.

The fourth game saw both players, although physically exhausted, striving to gain the break through to win the pennant.

This game went to Altona 9-7 to clinch the pennant for them by one game.

LIBRARY NEWS CHRISTMAS CLOSING

The Altona Public Library will close at 9 p.m. on Christmas Eve and re-open at 12 noon at January 4, 1966.

Books borrowed from now until Christmas may be kept over the holiday period and returned some time in the first week of the new year, without charge.

POTTERY DISPLAY

A small collection of hand-made pottery is on display for a few weeks, by courtesy of Mrs. M. Saunders, 125 Blyth Street, Altona.

Books on pottery and allied arts and crafts are available to those interested.

TOLD UNDER CHRISTMAS TREE

During the school holidays and commencing on Tuesday, January 4, the librarian will conduct a story-telling hour every Tuesday and Friday at 3.30 p.m. The children's story-telling section of the library has been adequately furnished and decorated for the holiday season.

The stories told are mainly suitable for children up to the age of 10 years. They will consist of traditional and modern fairy tales, Christmas stories and short stories of adventure. The story-telling area will be closed off from the general library during this hour.

Parents are invited to bring their children to the library and perhaps, if they wish, to stay with them.

Altona Mentioned in Parliament

Two matters concerning Altona were raised in the Legislative Council earlier this month by the Hon. A. W. Knight, Member for Melbourne West Province. He said—

"I urge the Government to ensure that some of the money allocated under Item 1 for schools and so forth is spent in the Melbourne West Province. I have directed attention on previous occasions to the dilapidated condition of some of the old schools in that area on which urgent maintenance work is needed. I should like to see some of this allocation used to speed up the construction of a special school in Altona for mentally retarded children. The Minister of Agriculture, whose province adjoins mine, has been confronted from time to time, as I have, by constituents who live in the area stressing the need for this school, and it is hoped that it will be built this year.

"Some time ago, I asked a question relating to the establishment of a police station at Altona North, and I received advice that a central police station would be established. I hope some move will be made for this to be constructed as quickly as possible.

"I point out that the Minister of Mines should ensure that officers of the Mines Department accept responsibility in regard to controlling quarrying and blasting. Suggestions have been made that the responsibility lies with the local municipality, but the Local Government Act precludes a municipality from exercising control over this type of industry. I was called out recently by a constituent to inspect damage caused by flying rocks as a result of activities at Consolidated Quarries. Fortunately, the woman whose property was damaged was not hurt. She approached Williamstown City Council, and arrangements were made for a Mines Department officer to visit the area. The officer informed the woman that control of blasting was the responsibility not of the Mines Department but of the local council. I urge the Minister of Agriculture to take steps to ensure that Mines Department officers accept their responsibility.

"I now wish to refer to Item 63, which covers subsidies towards capital expenditure including purchase of sites and provision of fittings, furniture and equipment, on pre-natal, infant welfare and pre-school centres. The amount paid by way of these subsidies has not been increased for a long time although costs have risen considerably. It is appreciated that this is a Govt. subsidy, but I urge the Government to examine the position with a view to enabling those associated with these institutions to meet the increased costs they have to bear."

Sailing News

Conditions were fair for the race at Altona last Saturday. The wind velocity was 25 m.p.h. accompanied by a mild swell.

HORNETS

Laphil (T. Philipps and L. Laker), Rock 'n' Roll (J. Neale and P. Egan) and Jet (T. Jones and J. Butterworth), closely contested first place on the beat to the weather mark. Jet rounded the mark first and Rock 'n' Roll rounded it second. Jet held the lead through the first lap.

During the second windward leg which was between the start bouy and the beacon, Rock 'n' Roll challenged Jet many times. Although Jet rounded it first, Rock 'n' Roll was able to take the lead on the return run by making better use of the swell than Jet did. Jet was able to round the weather mark on the third lap, seconds in front of Rock 'n' Roll, and as Rock 'n' Roll was unable to use her spinaker, Jet increased her lead.

Rock 'n' Roll came closer to Jet on the final beat, but never took the lead. Jet completed the fourth and final lap 55 seconds before Rock 'n' Roll to take line honours. Laphil filled third place.

Shadow (J. Andress and J. Clarke) broke their tiller early in the race, but continued on. When J. Andress found he couldn't hold Shadow he dropped the mainsail and sailed on the jib only. He finished the race but unfortunately did not cross the proper finish line. He only crossed the extension of the start line and was given a choice by the starter of being disqualified or retiring. He chose the latter.

MOTHS

Struan De'il (K. Robertson) took the lead at the start and increased it as the race progressed. Cheetah (R. Marion) held second place and Felucca held 3rd place.

By the end of the race Struan De'il had a substantial lead over Cheetah and won by six minutes. Felucca finished eight minutes 34 seconds behind Cheetah.

HERONS

Impulse (F. and I. Mallett), Kayos (C. and G. Blunt) and Moon Doggie (R. and W. McMaster) tussled for the lead on the leg to the windward mark. Moon Doggie rounded the mark in first position and gradually increased her lead.

During the second windward leg, Kayos, due to difference of opinion between skipper and foward hand, retired. However, onshore their settled their differences and are ready to sail next week.

This left second place for Impulse. Sujuru (L. and J. Erickson) after having had to start again, managed to move into third position.

Moon Doggie took line honours, and Impulse and Sujuru took second and third places respectively.

Over the past few weeks Harvey William's keen competition has been missed. Heroners are looking forward to his return to regular racing at Altona.

Good Win in Basketball

The No. 1 Youth Club basketball team soundly defeated Canterbury St. Jeobs 42-22 last Monday night.

The first 10 minute was point for point and it promised to be a very thrilling game. However, two baskets in succession by Billy Anderson upset the opposition and Altona gradually drew away.

After half time when the game appeared to be in Altona's keeping the locals replaced three of their best players with youngsters to give them the opportunity of gaining experience.

The youngsters, Billy Anderson, Robert Stirling, Peter Wagner and Colin Rattray, did exceptionally well. The game went on point for point.

Best scorer and player was Billy Anderson.

The No. 2 team had a bye. The first team is in second position on the ladder and the No. 2 team fourth.

Matches will resume after a Christmas break on January 17.

Altona Bowling Club News

Winners of the social bowls held at Altona Bowling Club last week were—

THURSDAY: K. Harvey, G. Bush and K. Bray (s).

SUNDAY: S. Fordham, T. Phillips, L. Walsh and W. Condon (s).

Birthday greetings this week to Edna Beyer.

Congratulations on their wedding anniversaries to Bob and Trudy Don, Reg and Dot Watson.

Come along to the Christmas Social on Saturday, December 18 in the club house. All tickets for the Christmas Stocking are to be in as this is to be finalised at the social.

Roster for Saturday, December 18 is V. Turner, J. Grant, J. McNally, M. Bromley, H. Condon and B. Whitmore.

LADIES PENNANT RESULTS

Altona No. 1 80, defeated Sunshine 54—

V. Sevier, E. Olliver, E. Russell and E. Marlow; 29-19. R. Fisher, C. Ford, V. Bush and E. Martin; 30-13. E. Flynn, I. Probert, L. Walsh and J. Miliken; 21-22.

Altona No. 2 77, defeated Aberfeldie 74—

V. Turner, P. Gischus, W. Neal and E. Thomas; 27-17. J. Douglas, D. Gadsden, M. Andress and E. Siphthorp; 25-25. J. McNeillage, F. McDonald, L. Pilcher and M. Woodyard; 25-32.

Altona No. 3 38, were defeated by Werribee 45—

M. Jacometti, K. Bray, M. Harris and I. O'Donnell; 15-27. L. Cox, R. Shaw, E. Beyer and V. Douglas; 23-18.

ALTONA IN FIRM POSITION

Altona, in the Werribee Cricket Association, declared at 5 p.m. with 165 runs on the board, due to fine batting by Les Cummings, Jack Dellar and Joe Mildenhall.

Accurate bowling by Flynn and Lowe for Werribee (2) kept the runs down until Dellar, a hard hitter, soon had the runs coming and with the other batsmen following suit Werribee (2) were soon in trouble.

With the fast Altona attack Altona consolidated its position. Cumming took the wicket of Lockwood with only four runs on the board. Then Hosken had Ashby caught in slips by a diving catch by Dellar. Cumming then took the wickets of Lowe and R. Dove.

ALTONA.—1st Innings:
McCullagh b Lowe 10
Hosken c, b Murphy 14

Lockwood b Cumming 1
Lowe c&b Cumming 1
R. Dove b Cumming 4
Jarratt not out 2
D. Dove not out 0
Sundries 0

TOTAL 4 wickets for 16

GOOD RECOVERY IN A GRADE

After losing four quick wickets to Southern Cross in A Grade, Altona fought their way out of trouble to be all out for 170.

Alan Perussich was top score with 76 and he and Stephens (43) put on a valuable fifth wicket stand to guide Altona to their final total.

Bad fielding by Southern Cross (many dropped chances) also helped Altona.

At stumps Southern Cross were 4/21, but with a batting line-up down to the last man they will make Altona fight all the way to earn any points they may get for the match.

ALTONA.—1st Innings:
Duckett run out 1
Thomas lbw, b Fairall 8
Kirk c, b Fairall 6
Stephens c, b Curwood 43
Page b Curwood 0

Armstrong not out 3
McKenzie b Goucher 2
Sundries 5

TOTAL 4 wickets for 21
BOWLING: T. Gray 3/6, Goucher 1/9.

Power House Lead Altona B2

Power House, winning the toss, elected to send Altona in to bat. Altona were all out for 85, top scorers being R. Cook 28, M. Calaz 17 and L. Thompson 11. The remaining batsmen could only manage 12 runs between them.

Power House were 9/109 at stumps. This game could have well been in a different position only for the Altona fieldsmen, who dropped far too many catches.

With the game as it is congratulations must go to M. Calaz, who bowled unchanged for the whole of the game and finished up with the figures of 4/46.

He was ably supported at the other end by R. Cook, 3/47.

This week Altona, with more purpose in the field and with the bat, can still win this match outright.

ALTONA B2.—1st Innings:
Augustini c, b Daykin 1
Thompson b Stawnyczuk 11

KOORINGAL GOLF

Saturday's stableford results from Koorlingal Golf Club are as follows—

A GRADE: M. Thompson (7), 40 points.

B GRADE: M. Cahill (11), 41 points.

C GRADE: G. Beene (25), 41 points.

MONTHLY MEDAL replay was won by G. de Rose from A. Stafford.

Sunday's stroke event went to L. Gambling (12), 67 net.

Altona B1 Fall to Dave Thoms, 9/19

Altona B1, at home against Spotswood Imps B1, could win in a close finish.

Altona batted first and started well with a good opening from Milner and Lewis, but with Dave Thoms bowling well, runs were hard to get. The loss of four quick wickets had Altona reeling, but a stand by Geoff Adam and Dick Buckingham helped Altona to recover and finish with the total at 73.

Spotswood opened well but once again runs were hard to score and at stumps Spotswood were 3/45.

The Altona bowlers must break through early next week to lay the foundations for an Altona win.

Dave Thoms secured 9/19 for the innings from excellent bowling.

ALTONA B1.—1st Innings:
Milner c, b Thoms 15
Lewis b Thoms 4
Noonan b Thoms 0
R. Harrison c, b Thoms 0
Buckingham b Thoms 14
Adam lbw, b Mildern 15
Wright b Thoms 0
J. Harrison b Thoms 2
Conradi b Thoms 2

Electra Street had the bye.

Soccer Club Greetings

Altona Soccer Club wishes the citizens of Altona a Merry Christmas and a Prosperous New Year.

UNION CARBIDE SAFETY AWARD

Mr. Arthur Brown, president of the Altona Citizen's and Police Youth Club, receiving a cheque from Mr. J. Brien, representing the shipping department. Others in the photograph are: Mr. Tim McGarry, immediate past president of the club, Mr. P. C. Perry, works manager, Mr. R. Read, production manager, Mr. G. Sproat, superintendent, shipping department, Mr. D. Gravett, foreman, and Messrs. R. Van Dulleman, G. Innocenzi, C. Farrugia, W. Wosnyk, W. Hall, E. Perfonowski, J. Paris, E. Borg, S. Kacunic, R. Hodge, W. Miller, C. Samson and C. Allen.

In a department where a great deal of handling of material is done, the accident ratio is likely to be higher than perhaps in other sections of the plant.

And it is particularly pleasing to record over 365 days of accident-free working time for the shipping department, the first occasion they have won the award.

The works manager, Mr. P. C. Perry, in presenting the award said that as far as he is concerned and indeed as far as the company is concerned, the choice of the Altona Youth Club as recipients of the cheque indicated the faith of the men in Altona's youth, especially coming at a time when much unpleasant publicity has been given to unfortunate incidents in the district.

Mr. Arthur Brown, in thanking the men for their contribution to the youth club funds said on behalf of the club that he was very pleased to have this indication. It will be a great help financially and perhaps serve to let people know how much work is being done and has been done over the years by the club management in handling many hundreds of boys and girls.

The bad publicity has been a definite set-back both in raising funds and morale-wise. Money is needed for new

equipment and towards financing a teenage section of the club and the men of the shipping department have by this gesture helped and encouraged their efforts.

Mr. Sproat and Mr. Gravett then handed round first-aid kits to each member of the shipping department as a token of the safety award.

The Barge Wouldn't Budge off the Beach

The shallow Altona beach does not lend itself to launching large boats, but at least it provided novel entertainment for the beachfront supervisors last Friday.

Friday's onlookers missed the start of the operation which began the day before.

On Thursday morning one half of a new barge was deposited on the beach near Maidstone Street (could not fathom out if it was the back or the front, even if barges have a back or front).

Of course it was not the builders intention to launch the barge from Altona beach.

Original ideas were for the barge to be roaded to either Williamstown or Geelong, but the appropriate authority refused to allow such a load on the highway and said it could only be taken along roads leading to the beach nearest the construction yard—this meant Altona beach. Final destination was Geelong.

Planning went ahead for an Altona launching. A tug was to do the heavy work of pulling the barge off the beach, across the sand bars and into deep water. But as in all planning, things can go astray.

The tug was in dry dock, but was to have been refloated ready for Thursday's pull. However, the wharfies put their "spoke in the wheel" and the tug remained in dry dock.

So a launch was engaged for the big day. On Thursday it pulled, and pulled, and pulled, to no avail. Help was sought and the push of a front end loader was engaged.

Even so, with the tide at its peak, the launch pulling and the loader pushing the half barge refused to budge.

Operations were suspended for the day and a heavier "push," a bulldozer, was engaged for the Friday.

Came Friday morning and the other half of the barge was delivered to the beach. The men in charge of operations sat down to await high tide when the mighty bulldozer was due to arrive and assist in the launching.

When all was ready for the big event the same launch began pulling, but what a difference with the bulldozer. It just got behind the heavier half of the barge, gave it one push and moved it seawards.

But why spend all that energy pushing out one half and then have to come back for the second half. Both halves were lined up—one behind the other. The dozer brought up the rear of the procession and proceeded to push both parts of the barge out to sea.

However, the barge made a last ditch stand and stuck on the final sandbar. By this time the sea was whipping into waves and "rocking the boat." With the barge rocking and the launch pulling the determined dozer gave an extra push and launched the barge.

The barge promptly took off into deep water carrying on board the bulldozer supervisor, who wanted to go back to shore, not to Geelong.

The dozer, pleased with its effort, slowly splashed its way back to dry land. The dozer supervisor, a little damper than when he arrived, was off-loaded on to the explosives pier and the barge went on its wet way to Geelong. Here it will be completed ready for trips around the Australian coast and across to New Zealand.

INSURANCE AT HOLIDAY TIME

Your insurances are matters which should not be overlooked at holiday times and the following notes are given to help you to keep them effective if you are going away from home.

All technical information is based on policies issued by member companies of the Fire & Accident Underwriters Association of Victoria, and if you are not fortunate enough to have a policy issued by one of these organisations you should make direct inquiries as to the extent of your cover.

HOUSEHOLDERS POLICIES

These take care of short absences and the fire insurance portion of the policy even extends to cover items whilst temporarily removed anywhere in the Commonwealth. The burglary portion also has limited extension to other temporarily occupied dwellings or boarding houses. However, if in doubt or if leaving your home for more than a month you should notify your company and pay any small extra premium involved.

ALL RISKS INSURANCE

These are normally issued only on specified items of jewellery, furs and other portable items of value such as cameras. They are usually issued on a Commonwealth-wide basis and no special action is required at holiday

MOTOR VEHICLE POLICIES

These also normally cover anywhere in the Commonwealth. If you require insurance against damage to a valuable trailer or caravan you must notify your company and pay the necessary premium.

PERSONAL ACCIDENT

Anyone can suffer an injury however careful he may be personally. Loss of income may follow and the family man and his dependents could be particularly hard hit. Policies to cover personal injury can be obtained for short or long periods at very reasonable rates. These provide an income whilst the insured person is unable to work, or a lump sum in event of fatal accident.

BAGGAGE INSURANCE

Most people only think of baggage insurance when going overseas. Baggage insurance policies, are, however, freely issued to cover local travel from as low a premium as 7/6d.

Gala Night at Table Tennis Presentation

More than 80 trophies and awards were handed over at the annual presentation night of the Western Suburbs Table Tennis Association, held at the Footscray Town Hall on Thursday, December 9.

The presentation was the highlight of the cabaret ball, and players and their friends from various clubs relaxed in a happy atmosphere as a fitting finale to a busy year in sport. Officials at the presentation were Harvey Smith and Frank Werner, both former star players and presidents, and Don Henderson, vice-president. They were ably assisted by new secretary Ron Arnott and top lady players Valerie Taylor and Dianne Robertson.

Music was provided in a pleasing manner by Bill Cassar and his band, and solo items were rendered by popular tenor Ray Jenkins, of the Footscray Youth Club, catering with Mrs. Stewart and staff in charge, was all that was needed to make a most enjoyable and successful evening.

1964-65 SUMMER WINNERS

The 1964-65 Summer Premiers, with the Aggregate Trophy winners in parenthesis, are as follows—

A: Maidstone (Paul Rogers); A Reserve: Warren & Brown (John Murdoch); B1: St. Monica's (Ted Weiss); B2: James Seymour & Co. (George Irving); B3: Altona (Ivan Greaves); C3: Melita (Michael Borg); C4: Avondale Heights (Keith Loveridge); D3: Newport Flour Mills (Barry Taylor); D4: Williamstown C.Y.M.S. (R. Colvin).

1965 WINTER WINNERS

A: Sunshine (Robert Faust); B1: G.W.C. (Ted Weiss); B2: Footscray (George Irving); B3: Polonia (Frank Ziellinski); C1: Bodington (Lindsay Loone); C3: Footscray Youth Club (Ronald Cleland); D1: A.C.L. (Val Dimidow); D2: Ballarat Road Methodists (Albert Richardson); D3: Altona Working Men's Club (Gary Nichols); E3: Newport (John Hales).

Reversed When It Was Unsafe

Peter Thomas Barnes, of May Street, Altona North, was fined £5 for reversing when unsafe to do so, and £3 for failing to have his T.R.B. badge, being a taxi driver.

Constable B. Erskine, of the Mobile Traffic, told the Court on January 17, 1965, in The Strand, Williamstown, the police car he was in was forced to brake and swerve to avoid hitting a taxi driven by Barnes, which reversed out of a Court at approximately 15 m.p.h. Barnes did not look before reversing.

Exceeded 35 m.p.h.

Robert Trembath, of Seaview Crescent, Altona, was fined £10 for exceeding 35 m.p.h. in Millers Road, Altona North, on July 31, 1965, and £3 for failing to produce his licence within seven days.

Altona East Primary News

1966 HOUSE CAPTAINS

Next year's House leaders for Altona East Primary School, elected by children last week, are—

DINPANARI: Graham Fullarton and Cheryl Wood (Captains); Gary Williams and Cathy Marasea (Vice-Captains).

MARATATA: Donald Mills and Domenica Deluca (Captains); Billy Rogers and Suzanne Carabott (Vice-Captains).

MONANA: Wayne Tribe and Marion Colquhoun (Captains); Joe Bonnici and Wendy Welgus (Vice-Captains).

PANPARITA: Geoff Carroll and Angela Sfameni (Captains); Ray Harfield and Sandra Hatzis (Vice-Captains).

1965 SCHOLARSHIP WINNERS

TOP BOY AND GIRL (Petroleum Refineries, £12).—Trevor Williams and Karolina Ljubic.

LEADING BOYS AND GIRLS (Australian Carbon Black, £10).—Alex Straubinger and Ian O'Hara; Lenita Harland and Cheryl Leader.

MOST DESERVING (R. J. Gilbertsons, £5/5/-).—Alan Daintry; Divna Durmanic and Vera Lotysz.

MOST IMPROVED (Altona East Mothers' Club, £5).—Tony Ryeland and Robert Dial; Robyn MacDonald.

SPORTS PREMIERSHIPS

CRICKET

In an upset win, Panparita scored a thrilling one-run, last minute victory over Dinpanari, who were unlucky to lose, being the top team during the season.

1st SEMI: Monana 29, d. Maratata 21.

2nd SEMI: Dinpanari 29, d. Panparita 15.

PRELIM.: Panparita 40, d. Monana 25.

GRAND FINAL: Panparita 28, d. Dinpanari 27.

TOP BOWLERS for the season were Robert Tribe 38 wickets for 188 runs, Graham Fullarton 36/125, T. Williams 27/172, A. Daintry 27/179, M. Karagiuzaki 26/196, A. Straubinger 26/210, A. Vassiliadis 19/188.

TOP BATSMEN were Robert Tribe 125 runs, Martin Cassar 106, M. Karagiuzaki 92, S. Perry 67, A. Vassiliadis 65, J. Jakovac 56, A. Daintry 52.

BEST AND FAIREST was won by the school's best all-rounder, Robert Tribe, with 38 votes, followed by M. Karagiuzaki 27½, A. Daintry 21*, S. Perry 20, G. Fullarton 19, M. Cassar 19, A. Vassiliadis 18, T. Williams 16½, A. Straubinger 14½.

The Seconds premiership won by Panparita.

Both Panparita and Monana won double premierships this year—Panparita the football and cricket; Monana the basketball and softball.

SOFTBALL

Another exciting finish saw Dinpanari again defeated by one run, this time by Monana.

Altona Tennis Club's Teams

Altona Tennis Club's Senior and Junior Teams for Saturday, December 18, are as follows—

SENIORS

Female Supervisor

OFFICE SERVICES

Our Company wishes to appoint an experienced typist as Female Supervisor for our Office Services. This position calls for a capable young woman able to organise and supervise the work of a small typing pool and to ensure the production of high quality work including technical reports, the accuracy of which is vitally important. Control of other Office Services such as filing, stationery, duplicating, photo-copying, etc., is also included in the duties.

A very attractive salary will be offered to the successful applicant. Our offices are in a new air-conditioned building and we have a fine cafeteria and excellent amenities. Superannuation is available.

Please apply in writing to Mr. J. F. PILBEAM, Employee Relations Manager, or telephone 65-8151 for further particulars if required.

AUSTRALIAN SYNTHETIC RUBBER CO. LTD.
Maidstone Street, Altona West.

INSTRUMENT FITTER

A vacancy exists in our Mechanical Department for an Instrument Fitter.

This position will attract a man experienced in Pneumatic Instrumentation, or alternatively a qualified Mechanical Fitter who wishes to be trained in this new field. Excellent wages and conditions are offered, with comprehensive superannuation scheme, subsidised cafeteria, social club, etc.

Apply in writing, giving full details, to: Mr. J. F. PILBEAM, Employee Relations Manager, or telephone 65-8151 for further information.

AUSTRALIAN SYNTHETIC RUBBER CO. LTD.
Maidstone Street, Altona West.

Laboratory Technical Ast.

Applications are invited for appointment as a Technical Assistant in the Laboratory of our Technical Department.

Assignment to a 3-shift rotating roster will be made after appropriate training and experience. Duties involve interesting work on Physical or Chemical testing. Some previous experience in Laboratory procedure, at least as a Physics or Chemistry student is desirable. Own transport essential.

The rates of pay, excellent pension plan, modern laboratory and equipment combine to make this a very worthwhile appointment.

Apply in writing to—
Mr. J. F. PILBEAM,
Employee Relations Manager,
or telephone 65-8151 for further particulars.

AUSTRALIAN SYNTHETIC RUBBER CO. LTD.
Maidstone Street, Altona West.

MECHANICAL FITTERS

Applications are invited from personnel with appropriate experience for the above positions in our Mechanical Department. Preferred age 20-35 years. These positions offer top amenities, conditions and rates of pay, service increment and optional subsidised pension plan.

Apply personally Monday to Friday to Mr. J. F. PILBEAM, Employee Relations Manager, or telephone 65-8151 for further information if required.

AUSTRALIAN SYNTHETIC RUBBER CO. LTD.
Maidstone Street, Altona West.

REMINGTON ACCOUNTING MACHINE OPERATOR

An experienced junior or intermediate accounting machine operator is required by this company. The position offers good working conditions and an excellent salary. HOURS: 9 a.m. to 5 p.m. Apply to the Accountant for personal interview, including Saturday morning,
JAMES SEYMOUR & CO.

31 Nelson Place, Williamstown.
Telephone: 65-6221.

MAINTENANCE PAINTERS

Required for general maintenance during the Christmas and New Year recess.

Apprenticeships

with
PETROLEUM REFINERIES (AUST.) PTY. LTD.

are offered to responsible young men who have initiative and character and who plan to enter the trade of FITTING and MACHINING.

Successful applicants will benefit from a balanced training scheme which has been developed to ensure sound experience in all phases of the trade.

The Company also offers an excellent Pension Plan, a Comprehensive Sick Leave Policy and an Educational Assistance Plan to successful applicants. The minimum education requirement is the successful completion of fourth year High School or Technical School with passes in Mathematics and Physics.

Applicants should write to:
Employee Relations Manager,
PETROLEUM REFINERIES (AUSTRALIA)
P.O. Box 40, Altona,
or phone Mr. I. Thodey, 391-1333, for additional information.

PLANT CLEAN-UP OPERATORS

Applications are invited for appointment as Plant Clean-up Operators on day work. These operators assist in the manufacture of synthetic rubber, and may advance to shift operators after a suitable period of experience. These positions offer top wages, conditions and amenities, with optional comprehensive pension plan which includes widows and orphans pensions. There is a subsidised cafeteria, and an active social club.

Apply in person, or by letter, to: Mr. J. F. PILBEAM, Employee Relations Manager, or telephone 65-8151 for any further information.

AUSTRALIAN SYNTHETIC RUBBER CO. LTD.
Maidstone Street, Altona West.

General A/c. Clerk

Applicants are invited for an interesting position in our Accounting and Finance Department.

Duties include control of subsidiary ledgers, assistance to the General Accounts Supervisor in other general accounting activities, preparation of financial statements, etc. Applicants need not be qualified, but should have had sound general accounting experience and be engaged in studies leading to a full accountancy qualification.

Age preferably 20-30 years.

A top salary will be offered according to qualifications and experience, and there is a comprehensive superannuation plan. Working conditions are first-class in a modern air-conditioned office, plus subsidised cafeteria and active social club.

Apply in writing, giving full details, to: Mr. J. F. PILBEAM, Employee Relations Manager, or telephone 65-8151 for further information.

CLASSIFIED ADVERTISEMENTS

SHIRE OF ALTONA
LOAN No. 59.

Notice of intention to borrow the sum of £50,000 (\$100,000) for permanent works and undertakings.

Notice is hereby given that the Council of the Shire of Altona proposes to borrow the principal sum of Fifty Thousand Pounds (One Hundred Thousand Dollars) secured by a charge over the general rates of the municipality, such sum to be raised by the grant of a mortgage in accordance with the provisions of the Local Government Act 1958.

1. The maximum rate of interest to be paid is £5/15/- (\$5.75) per cent. per annum.		
2. The purposes for which the loan is to be applied is:—		
1. Tip and Access Roads	£9,000	\$18,000
2. Apex Reserve—Filling and grading for Caravan Park	£500	\$1,000
3. Bond Reserve—Grading and grassing, water supply installation and playground equipment	£300	\$600
4. Giffner Reserve—Development of Soccer field	£200	\$400
5. Irwin Reserve—Tree planting and erection of playground equipment	£200	\$400
6. Kim Reserve—Filling and levelling, grassing and planting. Filling and levelling eastern end. Provision of shower room	£1,000	\$2,000
7. McIntosh Reserve—Filling and levelling	£300	\$600
8. Hearn Reserve—Levelling and provision of playground equipment	£200	\$400
9. Chambers Road—Blackshaws Road to McArthur Road—Construction of Roadway	£20,000	\$40,000
10. Ross Road—Hatherley Grove to Windsor Crescent—Construction of Roadway	£7,000	\$14,000
11. Hansen Street—Mason Street to Broadway—Reconstruction and widening	£7,000	\$14,000
12. S.E.C. Briquette Depot—Fencing corner between Mills Street and Mason Street	£1,200	\$2,400
13. Land Acquisition—Esplanade	£3,100	\$6,200
	£50,000	\$100,000

- The period of the loan shall be 15 years.
- The loan shall be repaid by providing out of the municipal fund 30 half yearly instalments of approximately £2,509/18/5 (\$5,019.84) each including principal and interest on the 1st day of September and the 1st day of March during the currency of the loan. The first instalment shall be payable on the first day of September, 1966. The plans, specifications and estimates of the cost of the proposed works and a statement showing the proposed expenditure of the moneys to be borrowed are open for inspection at the Civic Offices, 115 Civic Parade, Altona, during office hours.

JAMES W. WATERS,
Shire Secretary.

PUBLIC NOTICES

TOTAL ABSTAINERS — The Independent Order of Rechabites meets monthly on the third Thursday at the Baptist Hall, Sargeod Street, Altona, and offers you special benefits. Information from A. Hurler, 6 Bell Ave., Altona, 398-1546.

FIRING PRACTICES—

WILLIAMSTOWN RIFLE RANGE AREA

The PUBLIC is hereby warned that FIRING PRACTICES with rifle, machine gun, machine carbine and pistol may be carried out between 0730 hours and 1900 hours daily in the WILLIAMSTOWN RIFLE RANGE area.

DURING THE MONTH OF DECEMBER, 1965.

Members of the public must keep clear of the area defined below.

DEFINED AREA

All the land of the WILLIAMSTOWN area known as the WILLIAMSTOWN (or MERRETT) RIFLE RANGE; that is to say all that land SOUTH of KOROROIT CREEK ROAD enclosed between the junction of KOROROIT CREEK with the EASTERN boundary line of MADDOX STREET; thence in a NORTHERLY direction to the corner of MADDOX STREET and KOROROIT CREEK ROAD; thence in an EASTERLY direction to the junction of KOROROIT CREEK ROAD with the property of the Victorian State Education Department, thence in a SOUTHERLY direction along this boundary and the boundaries of housing properties; thence again in an EASTERLY direction for 259 yards to the boundary fence of the Girls' School; thence again in a SOUTHERLY direction to the PORT PHILLIP BAY FORESHORE; thence in a WEST and NORTH WESTERLY direction along the FORESHORE to the junction of KOROROIT CREEK with the EASTERN boundary line of MADDOX STREET afore-mentioned; and for a distance of 3200 yards SOUTH (into PORT PHILLIP BAY) through the length of this FORESHORE widening to a length of 3800 yards at its SOUTHERN extremity.

ENTRY INTO THE AREA

Members of the public seeking entry into the range proper in the course of business must first make application to the Range Superintendent (telephone 65-6027). Entry for any other reason is forbidden.

Members of the public are warned against entry into the danger area of PORT PHILLIP BAY whenever firing practices are being conducted.

FLYING OF DANGER

As a warning to the public that the range is in use RED flags are hoisted in the vicinity of the range foreshore at intervals throughout its length.

"The Southern Stars"

SUGGESTED NAME FOR AUSTRALIAN FLAG

In response to a State-wide appeal to municipal councils for their co-operation and support in the national celebration of Australia Day on January 26 next, the Australia Day Council has received many letters from civic leaders promising support and setting out their plans for honouring the day.

In one of these letters the Town Clerk of Portland (Mr. Noel T. Henry) writes to the secretary of the Australia Day Council (Mr. A. J. Cairns):

"The council has directed me to write to your council suggesting that it should adopt the recent proposal that the Australian flag should be given a name such as 'The Southern Stars.' My council feels that a great deal could be done to popularise the flag and its use if a name such as this were given to the flag, in the same way that the British flag is known as the 'Union Jack' and the American flag as 'Old Glory' or 'The Stars and Stripes.'"

Sir Norman Martin, chairman of the Australia Day Council, said that the suggestion from Portland was interesting, and certainly worthy of serious consideration, though the idea was not new. The men of Eureka in 1854 called their flag The Southern Cross, because of its stars set in the form of the Southern Cross in the sky over the Southern Hemisphere. A tattered flag claimed to be the

£3M. HOSPITAL FOR ALTONA

The Hospitals and Charities Commission envisage a 200-bed, £3,000,000 hospital for Altona.

Cr. S. G. McIntosh said this information was supplied in answer to questions from the Board of Management of Altona District Hospital.

The Commission also advised it would probably be eight years before construction of the hospital would be commenced on the site being held at the corner of Blackshaws and Millers Roads, Altona North.

Cr. McIntosh said that during this time the Altona Hospital Board would be appealing for all the community support possible.

original "Southern Cross" flown by the rebellious miners over the Eureka Stockade was preserved at the historic museum in Ballarat.

Sir Norman Martin said also that Australia was not alone in claiming the stars of the Southern Cross as a distinctive national badge or emblem for her flag. New Zealand used four of its stars on her blue ensign, and in one form or another the starry cross was used as an emblem by many other countries south of the line.

UNIVERSITY OF MELBOURNE

SCHOOL OF VETERINARY SCIENCE

The Pathology Group has three positions available for laboratory assistants at the new Veterinary Clinical Centre on Princes Highway, Werribee, 17½ miles by road from Melbourne.

1.—TECHNICAL ASSISTANT, male.—The appointee will be required to assist in the autopsy laboratory where post mortem examinations are conducted on animals for research and diagnostic purposes. There are no special qualifications required but experience with farm livestock would be an advantage. A valid driver's licence is essential. The salary range is from £600 to £800 for a junior and £1000 to £1400 for an adult. Commencing salary will be decided after interview.

2.—TECHNICAL ASSISTANT, male or female.—The appointee will be required to assist in the laboratory of histopathology. Experience in preparing sections is desirable but applications will be considered from persons holding a Leaving Certificate or Matriculation pass. A junior appointee will be expected to undertake training in laboratory technology. Salary scale for juniors is £600 to £800 and for adults £1000 to £1700. Actual salary will be determined according to age and qualifications.

3.—TECHNICAL ASSISTANT, male or female.—Preference will be given to persons with technical training especially in bacteriology or histology but applications will be considered from persons holding a Leaving Certificate or Matriculation pass. A junior appointee will be expected to undertake training in laboratory technology. Salary scale for juniors is £600 to £800 and for adults £1000 to £1700. Actual salary will be determined according to age and qualifications.

Commencing date for all three positions is January 4, 1966, or shortly thereafter. Inquiries may be made to Mrs. Lewis, 34-82
